## A warm hello from Aalen!

Hockey-Club Suebia Aalen would like to invite you to our 36th edition of our IHHT on 7th & 8th November 2026.

### Women's + men's tournament

Get the final preparation for the upcoming indoor season at the IHHT. During the tournament, the Karl-Weiland-Hall in Aalen (Friedrichstrasse 72, Aalen) transforms into a true hockey temple. Excellent hockey matches and an enthusiastic crowd have characterized the tournament in the past. This year, we are again looking for teams at the level of the Baden-Württemberg Oberliga/Verbandsliga. Food and drinks will be served at fair prices by our Sueben family inside the hall.

### Team dinner and party

On Saturday evening, we go straight from the pitch to the team dinner. The tournament fee already includes 10 meals per team. And so the calories can be burned off right away, we'll kick off the tournament party afterwards. We hope our guests will create a great atmosphere at frapé.

### Aalen- „Oala“

In our charming hometown of Aalen, short distances are a major advantage. The tournament locations have been chosen so that everything is within walking distance from the city center. All participants will receive a hotel directory in advance from us, allowing them to plan their stay with us perfectly.

The tournament fee is €300 per team. If both a women's and a men's team are registered, the total fee is €550. Each registered team receives ten meal vouchers for the tournament evening, each worth €15. Additional purchase or return of vouchers can be done at the tournament. As in the previous year, mineral water will be provided for the teams in the hall.

We are looking forward to an exciting hockey weekend with a well spent party and unforgettable moments for all of our guests.

**Register now! And see you soon in Aalen!**

For registration, please use our registration form:
